

## **Student trainees wanted** for internship in Netherlands

The company AGRIFAC Machinery B.V. is hiring student trainees that can help with various tasks in the **sales department**. The most important tasks are project work, translating. As a premium manufacturer of field sprayers, we are currently expanding our activities to Poland.

### **Your tasks:**

- Project work; helping with projects of AGRIFAC Machinery B.V.
- Translating; company brochures, folders, letters et cetera have to be translated.

### **Your profile:**

- Native Polish with good knowledge of the Polish language
- Able to speak either English or German, but preferably both
- Participating in agricultural related studies
- Good knowledge of MS Office (mainly Word, Excel and PowerPoint)

*Free Housing offered. 2-3 Month internship.*
