## **Food technology / bakery internship on a vegetable farm in New Hampshire.**

We are seeking applicants interested in an internship on a family vegetable farm that also operates a fresh food store and a small bakery on site.

Required qualifications:

- Education in food technology or related
- Experience with food processing, especially with baking
- Professional demeanor, at least conversational English
- Excellent ethics and morals
- Willingness to train and live in an international team
- Desire to expand knowledge and skills every day

You will have an opportunity to spend about 6 months starting in **April** in a beautiful New Hampshire – with countless opportunities for enjoying some of the most beautiful outdoors in the USA. Once the internship is over there is an opportunity for a transfer to a bakery in Ohio.

This farms offers shared housing on site, the internship is paid.

Please contact Greg Lecki: [Lecki.1@osu.edu](mailto:Lecki.1@osu.edu) or Leckig on skype.

For more internship offers in the “Current Offer” section at [OhioProgram.org](http://OhioProgram.org)
